## Xinyue Zhang

shirleyzhang2026@u.northwestern.edu (847) 964-0089 Highland Park, IL LinkedIn: www.linkedin.com/in/xinyue-zhang-2292b225b

## **EDUCATION**

Northwestern University - Evanston, IL

Bachelor of Science in Computer Science, Minor in Data Science and Engineering Master of Science in Computer Science

Murphy Scholar, Dean's List

GPA: 4.0

**Anticipated Grad: June 2026** 

**SKILLS** 

Computer Language: C, C++, JavaScript, C#, Python, MATLAB, Java

Technologies and Platforms: GitHub, Unity, MuJoCo, Visual Studios, Bootstrap, Adobe Photoshop

Language: Native Mandarin Chinese, Conversational Spanish

**RELEVANT COURSES** 

Data Structures and Algorithms

• Mathematical Foundations of Computer Science

• Scalable Systems and Architecture

• Machine Learning

Electronics Design

Game Design and Development

**EXPERIENCE** 

Fundamentals of Computer Programming I

September 2023 - Present

**Teaching Assistant** 

- Hosting weekly office hours to help students master the fundamentals of Computer Science in CS111.
- Leading biweekly coding exercises and discussions on the ethical usage of Computer Science.
- Managing a cohort of 10 students in class and helping them grasp confusing topics.

## Xenobot Lab - Northwestern University

February 2023 - Present

Lab Intern

- Conducting literature reviews and researching methodologies in robot modeling and simulation.
- Designing graphical models of current and developing robots for display on the lab website.

**PROJECTS** 

Robotics – UROV September 2022 - June 2023

**Buoyancy Engine** 

- Co-lead the designing and building of the buoyancy engine using Tupperware and syringes.
- Collected data to problem-solve the stability and functionality of the engine.

## Design, Thinking, and Communication

**January 2023 - April 2023** 

Vertical Panel Saw Dust Collection

Client- Northwestern Segal Fabrication Lab

- Collaborated with team members to design an inexpensive, functional dust collection for a panel saw.
- Led team meetings and organized timelines throughout the project development and presentation phases.

**Individual Projects** 

Personal Website [https://xinyuezhang-shirley.github.io/]

August 2023 - Present

- Self-taught HTML/CSS/JS with the aid of existing HTML libraries and online documentation.
- Showcases ongoing and completed coding projects, poems, and art pieces.

World Happiness Report Applet [https://xinyuezhang-shirley.github.io/worldHappinessReport.html]

August 2023

- Self-taught Bootstrap/HTML/CSS/JS displaying the statistics from the WHR2022 CSV data.
- Executed mini-ranking game, and utilized chart.js to manipulate and display CSV data.
